THE PURSUIT OF BETTER BEGINS HERE

**UNIVERSITY
of VIRGINIA**

When the University of Virginia was founded in 1819, it didn't just break the mold of higher education. It became a center for critical thought, designed not just to create a better kind of university but better leaders and a more educated society. A model founded on ideas, UVA has been maintained for more than two hundred years by generations of students, faculty, and alumni, aligned in their pursuit for the common good. In a setting of extraordinary beauty and tradition — a campus known simply as Grounds — students still gather to exchange ideas, dream boldly, and commit themselves to a better society and world.

THIS IS MORE THAN AN INVITATION. IT'S A CALLING.

Every UVA student is unique, representing a range of backgrounds, regions and experiences. Yet there are defining traits that each of our students share. They are barrier-breakers, transforming obstacles into opportunities. They are world-changers, willing to lead and follow. They are wave-makers, challenging convention and imagining the unimaginable. But what truly defines a UVA student is not their accolades or achievements, but rather their unswerving commitment to serve the greater good. To learn more about the UVA student experience, visit virginia.edu/student-experience.

“At first I didn’t think
that UVA was within reach,
but there were a lot of
different resources and
people that helped me.”

— Casey Balamut,
Undergraduate Student
Curry '18

A large crowd of UVA students is shown cheering enthusiastically at what appears to be a sporting event. The entire image is tinted with a monochromatic orange color. In the foreground, several students are visible: one on the left holds a foam finger with the UVA logo and 'GO HOOS' text; a student in the center holds a pom-pom; and a student on the right wears a 'HOO CREW' t-shirt. The background is filled with many other students, some wearing hats and sunglasses, all appearing to be part of the same event.

Starting day one, UVA students receive the freedom and resources to craft their own unique experiences. With access to nearly 1,000 student clubs and organizations, world-class art, theater performances, and endless volunteer opportunities in the community, the only difficult part is deciding what to choose. Plus, our tradition of student self-governance, including the oldest student-run honor system in the country, offers a wealth of opportunities for cultivating leadership and management skills that can be just as valuable as any learning experience in the classroom. And with our 25 NCAA Division I varsity sports teams, we're not only perennial favorites in the hunt for the Atlantic Coast Conference and national championships — we're winning them, too.
