

JOIN US FOR A VIRTUAL SPOTLIGHT NIGHT ABOUT THE

# Science & HEALTH *programs* AT WESTMO

Are you interested in a science or health related major? Have you thought about potentially attending medical school, dentistry school, or maybe becoming an occupational or physical therapist, or any other job in a health or science field? If so, this virtual spotlight night is for you!

*Tuesday, November 14*  
**at 6 pm (CST)**

Hear firsthand from Dr. Dawn Holliday and current Westminster student Tatum Covey. Dr. Holliday and Tatum will be on a live Zoom meeting to discuss various science majors, what classes are like at Westminster, and how a Westminster science major can help you to achieve your dream career in the science and health professions.
